

Key Protect & Recover

Quality assured product
& easy administration

24hr Recovery

It's amazing how both distressing and expensive it can be if a bunch of keys is lost, or even worse – stolen.

And our Key Protect & Recover policy does much more than just replace them – it is a 24 hour service that helps your clients recover their keys, gives much needed assistance in dealing with the situation and provides up to £1,500 worth of annual protection to cover their costs.

Benefits

- £1,500 annual cover for locksmiths charges, new locks and keys, car hire and onward transport costs
- Up to 3 days car hire if you are stranded or your car is unusable as a result of lost, stolen or broken keys
- 24 hour, 365 days a year Emergency Helpline
- £10 reward payable to the finder of your keys
- Any key attached to the fob is covered
- There is NO excess payable
- You can make a claim without losing your No-Claims Bonus on other policies
